Re: Darin Ruark vs. BMW of North America, LLC, et al
Civil Case No: L 09-CV-2738

Dear Judge Legg:

Reference is made to the above noted litigation, counsels' conference call with your Honor on February 22, 2010, your Memorandum Order of February 25, 2010, and my call along with Gregory Hopper, Esq. to chambers regarding a new complete scheduling order.

Consistent with the discussions with your chambers we have circulated a proposed revised scheduling order that includes the remaining items from the original preliminary order as counsel felt should be included with agreeable dates for counsel, and those items specifically addressed in the February 25, 2010 Memorandum Order. All counsel have agreed to this proposed revised scheduling order which we would ask be considered by your Honor.

Should there be any questions or concerns about the proposed order either I or Mr. Hopper stand ready to address them.

Very truly yours,

Ronald G. DeWald
